Tumblebus Fees and Policy Changes
Effective July 1, 2015

The Tumblebus will be changing our fees and policies effective *July 1, 2015*.

Monthly payments have been revised to make it simpler with the change in the number of weeks in each month since they vary from 4 to 5 weeks. We will now be taking a monthly average.

Monthly payments need to be received by the 1st week of each month; weekly payments need to be made the day your child/children attends the Tumblebus. If payments are not received by the second week grace period, your child will not be taken to participate in the Tumblebus program until payment is received. Please keep in mind that this disrupts your child's consistent participation and may upset him/her.

Thank you for your understanding. Please feel free to contact us if you have any questions or concerns!
